

# Speech

TECHNOLOGY  
magazine

PRESENTS:

# Companies *to* CALL

# Market Your Company

## to Coincide With Relevant Content

### Guaranteed Placement!

*This new advertising option gives you the opportunity to promote your company alongside content that pertains to your business.*

*Your text ad, consisting of 140 or 240 words, contact information, and your logo, will run immediately after the Speech Technology content you've selected. Ads are posted in the order they are contracted, so reserve your ad today.*

### Mentioned in the article?

*When you're mentioned along with others, advertising under **Companies to Call** allows your company to stand out as a business leader and supports your presence in the industry.*

### Not mentioned?

*If you aren't mentioned in an article, all the more reason to make sure to let readers know the alternatives.*

**Call your Integrated Marketing Manager today for more information and to reserve your ad space.**
